Where does the Form 471 fall in the E-Rate process?

The Basics

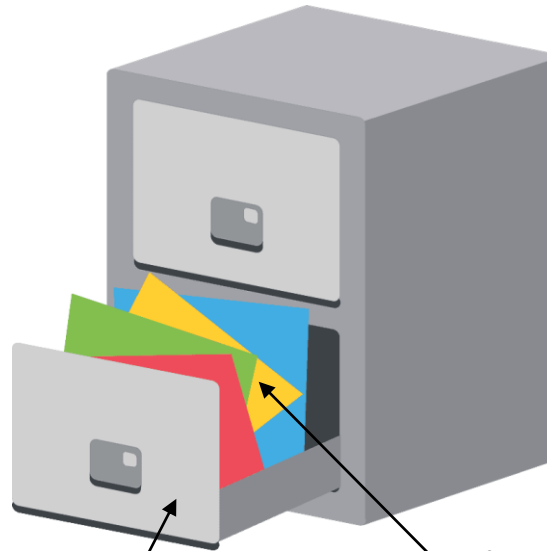

What is the FCC Form 471?

An indication of which vendor has been selected to provide services and the amount of funding being requested

- Contains one or more Funding Requests composed of various FRN Line Items
- Designates the selected service provider(s) and eligible services that have been chosen as a result of the FCC Form 470
- Describes the requested products and services in detail
- Identifies the eligible entities that will receive the services
- Calculates the amount of funding support is being sought
- Relays the discount percentage to which the applicant is entitled
- Certifies the applicant's compliance with program rules

How is the Form 471 organized?

The Form 471 functions like a file cabinet

The file cabinet has drawers - each drawer is a Funding Request providing summary information about the service type, service provider, establishing Form 470, and the contract or agreement

The drawers contain file folders - each folder is a Funding Request Line Item providing details about the individual services being requested such as bandwidth and cost

What should I have already done?

You should have already done the following:

- filed an FCC Form 470
- waited at least 28 days
- selected the most cost-effective bid
- signed a contract (with some rare exceptions discussed further in this guide)
- submitted your contract information into the Contract Module in EPC

Words of Caution: complete the Contract Module before beginning the Form 471 to avoid having to stop mid-stream

Once these steps are done, you can file an FCC Form 471

When can I file a Form 471?

- USAC announces a Form 471 filing window each year.
- The earliest possible date that a Form 471 could be filed will be the date established as the opening date of the Form 471 filing window
- However, **the Form 471 cannot be filed until the establishing Form 470 has been posted for at least 28 days and a contract has been signed and dated**
- The form must be submitted by 11:59 PM Eastern Time on the date that the application filing window closes

**FY2021 Form 471 Filing window:
January 15, 2021 at Noon EST – March 25, 2021 at 11:59 PM EDT**

Where do I file a Form 471?

You must file the Form 471 by accessing the account in the EPC Portal for the Billed Entity that will negotiate with potential service providers for eligible products and services

This is usually the school district, unless an entity is considered to be an independent school

How many separate forms do I file?

Your choice!

- You may file one Form 471

OR

- You may file a separate Form 471 for each type of service

However, the system requires separate forms for:

- Category 1 (Data Transmission and/or Internet Access)
- and
- Category 2 (Internal Connections, Basic Maintenance of Internal Connections, Managed Internal Broadband Services)

Form Actions: Saving and Discarding the Form

Once you are in a form, you will be given options at the bottom of every screen to save and continue working on the form or to discard the form altogether.

BACK	DISCARD FORM	SAVE & SHARE	SAVE & CONTINUE
------	--------------	--------------	-----------------

BACK	DISCARD FORM	SAVE & SHARE	SAVE & CONTINUE
------	--------------	--------------	-----------------

- If you select the “BACK” button, you will be taken back one screen.
- If you select the “DISCARD FORM” button, the entire form will be discarded. Once you confirm that you want to discard the form, it will no longer be available in the EPC system.

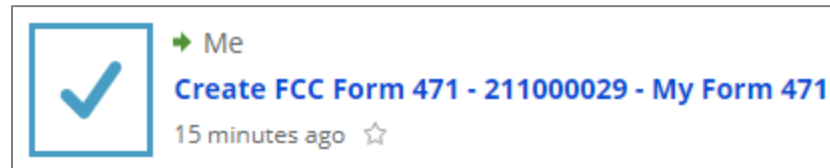

This form will now be canceled. Once you take this step, you will not be able to get it back. Would you like to proceed?

- If you select the “SAVE & SHARE” button, the form will be sent as a task to other full and partial rights users.
- If you select the “SAVE & CONTINUE” button, you will proceed to the next page to continue entering information into the form.

NOTE: An error message will display if you select the “SAVE & CONTINUE” button when information is not entered into a required (*) field or is entered incorrectly. The system will not allow you to continue until the information is corrected.

If, after completing part of the form, you want to save your work and return to it later, click on the “SAVE & CONTINUE” button.

When you return, go to the “Task” link in the blue navigation bar to find a task to create the in-process form.

When you click on the task, your form will open back up where you left off.

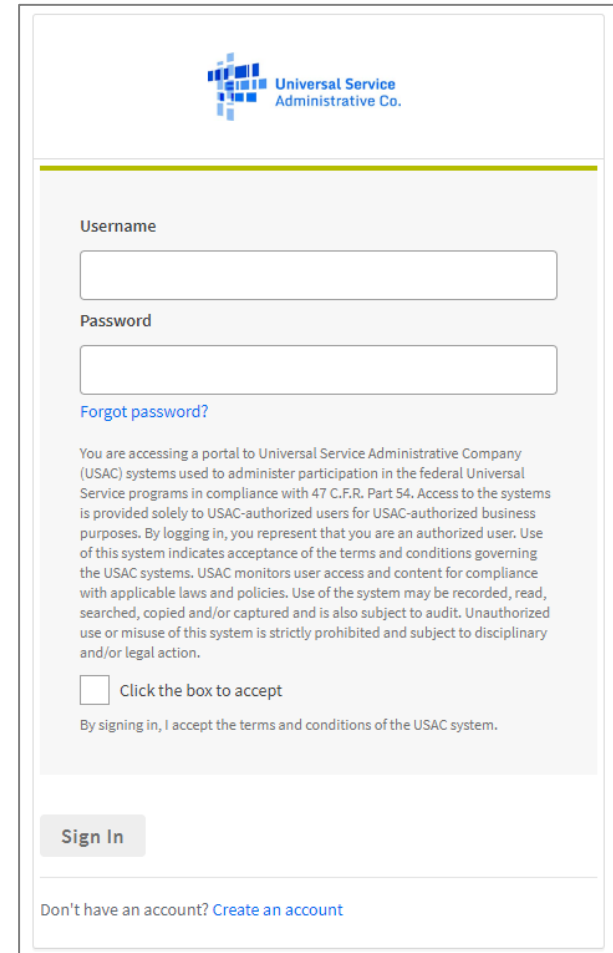

Applying For Category 1 Services

Note: You cannot include Category 1 funding requests on a Form 471 containing Category 2 requests. You must file separate applications.

Funding Requests

A funding request is a service or group of services that share a common service type, initiating Form 470, service provider, and contract (if a contract is cited)

Each funding request will be identified by its funding request number or FRN

Creating an FRN in EPC is a two-step process:

Next, you will designate whether this FRN includes a Fiber or Wireless Request.

Fiber Request Key Information

Does this FRN include a request for any of the following eligible broadband options?

- **Special construction.** One-time, upfront costs associated with building out leased lit fiber, leased dark fiber, or a self-provisioned network (i.e. special construction charges), or wireless service; and/or
- **Maintenance and operations.** Costs associated with the maintenance and operations for either a leased dark fiber or self-provisioned network; and/or
- **Network equipment.** Costs associated with the purchase of Network Equipment needed to make leased dark fiber or a self-provisioned network functional (e.g., modulating electronics and other equipment).

If any of the above apply, select "Yes" below.

Select "No" if you are only seeking support for the monthly recurring costs for either a leased lit fiber service or a leased dark fiber service (i.e., recurring payments on a dark fiber lease or IRU), or a wireless service.

Notes:

- If you are seeking support for both the Special Construction, Maintenance and Operation, and/or Network Equipment as well as support for recurring costs associated with leased lit fiber, a dark fiber lease/IRU, or a wireless service then you create multiple FRNs. In each case, you will select a different answer to the Yes/No question based the specific services that are included in that FRN.
- If you select "Yes" below, you should create separate FRNs for special construction charges, maintenance and operations (M&O) charges, and Network Equipment charges. If charges for M&O and Network Equipment are bundled pursuant to a single contract for those products/services, you may use the Network Equipment/M&O FRN option.

I acknowledge that failure to comply with program rules could result in civil or criminal prosecution by the appropriate law enforcement authorities.
- ☒ I acknowledge that the discount level used for shared services is conditional, for future years, upon ensuring that the most disadvantaged schools and libraries that are treated as sharing in the service, receive an appropriate share of benefits from those services.
- ☒ I certify that I will retain required documents for a period of at least 10 years (or whatever retention period is required by the rules in effect at the time of this certification) after the later of the last day of the applicable funding year or the service delivery deadline for the associated funding request. I will institute reasonable measures to be informed, and will notify USAC should I be informed or become aware that I or any of the entities listed on this application, or any person associated in any way with my entity and/or the entities listed on this application, is convicted of a criminal violation or held civilly liable for acts arising from their participation in the schools and libraries support mechanism.
- ☒ I certify that if any of the Funding Requests on this FCC Form 471 are for discounts for products or services that contain both eligible and ineligible components, that I have allocated the eligible and ineligible components as required by the Commission's rules at 47 C.F.R. § 54.504.

- ☒ I certify an FCC Form 470 was posted and that any related RFP was made available for at least 28 days before considering all bids received and selecting a service provider. I certify that all bids submitted were carefully considered and the most cost-effective service offering was selected, with price being the primary factor considered, and is the most cost-effective means of meeting educational needs and technology goals.
- ☒ I certify that the entity responsible for selecting the service provider(s) has reviewed all applicable FCC, state, and local procurement/competitive bidding requirements and that the entity or entities listed on this application have complied with them.
- ☒ I certify that the services the applicant purchases at discounts provided by 47 U.S.C. § 524 will be used primarily for educational purposes, see 47 C.F.R. § 54.500 and will not be sold, resold or transferred in consideration for money or any other thing of value, except as permitted by the Commission's rules at 47 C.F.R. § 54.513. Additionally, I certify that the entity or entities listed on this application have not received anything of value or a promise of anything of value, as prohibited by the Commission's rules at 47 C.F.R. § 54.503(d), other than services and equipment sought by means of this form, from the service provider, or any representative or agent thereof or any consultant in connection with this request for services.
- ☒ I certify that I and the entity(ies) I represent have complied with all program rules and I acknowledge that failure to do so may result in denial of discount funding and/or cancellation of funding commitments. There are signed contracts or other legally binding agreements covering all of the services listed on this FCC Form 471 except for those services provided under non-contracted tariffed or month-to-month arrangements. I acknowledge that failure to comply with program rules could result in civil or criminal prosecution by the appropriate law enforcement authorities.
- ☒ I acknowledge that the discount level used for shared services is conditional, for future years, upon ensuring that the most disadvantaged schools and libraries that are treated as sharing in the service, receive an appropriate share of benefits from those services.
- ☒ I certify that I will retain required documents for a period of at least 10 years (or whatever retention period is required by the rules in effect at the time of this certification) after the later of the last day of the applicable funding year or the service delivery deadline for the associated funding request. I acknowledge that I may be audited pursuant to participation in the schools and libraries program. I certify that I will retain all documents necessary to demonstrate compliance with the statute and Commission rules regarding the application for, receipt of, and delivery of services receiving schools and libraries discounts, and that if audited, I will make such records available to USAC.
- ☒ I certify that I am authorized to order telecommunications and other supported services for the eligible entity(ies) listed on this application. I certify that I am authorized to submit this request on behalf of the eligible entity(ies) listed on this application, that I have examined this request, that all of the information on this form is true and correct to the best of my knowledge, that the entities that are receiving discounts pursuant to this application have complied with the terms, conditions and purposes of the program, that no kickbacks were paid to anyone and that false statements on this form can be punished by fine or forfeiture under the Communications Act, 47 U.S.C. §§ 502, 503(b), or fine or imprisonment under Title 18 of the United States Code, 18 U.S.C. § 1001 and civil violations of the False Claims Act.
- ☒ I acknowledge that FCC rules provide that persons who have been convicted of criminal violations or held civilly liable for certain acts arising from their participation in the schools and libraries support mechanism are subject to suspension and debarment from the program. I will institute reasonable measures to be informed, and will notify USAC should I be informed or become aware that I or any of the entities listed on this application, or any person associated in any way with my entity and/or the entities listed on this application, is convicted of a criminal violation or held civilly liable for acts arising from their participation in the schools and libraries support mechanism.
- ☒ I certify that if any of the Funding Requests on this FCC Form 471 are for discounts for products or services that contain both eligible and ineligible components, that I have allocated the eligible and ineligible components as required by the Commission's rules at 47 C.F.R. § 54.504.
- ☒ I certify that the non-discount portion of the costs for eligible services will not be paid by the service provider. The pre-discount costs of eligible services featured on this FCC Form 471 are net of any rebates or discounts offered by the service provider. I acknowledge that, for the purpose of this rule, the provision, by the provider of a supported service, of free services or products unrelated to the supported service or product will be considered a rebate of some or all of the cost of the supported services.

Thank you for submitting your application for Funding Year 2019 Schools and Libraries Program (E-rate) funding. Attached to this post, you will find the funding statuses for the FCC Form(s) 471, Services Ordered and Certification Form, that you submitted.

The Universal Service Administrative Company (USAC) is providing this information to both the applicant(s) and the service provider(s) so that all parties are aware of the post-commitment changes related to their funding requests and can work together to complete the funding process for these requests.

Next Steps

1. Work with your service provider(s) to determine if your bills will be discounted or if you will request reimbursement from USAC after paying the undiscounted cost for the services you receive.

What is the FCDL?

The Funding Commitment Decision Letter (FCDL) is a letter issued by USAC to both the applicant and the service provider that contains decisions on their funding requests. The letter states which funding requests of the Form 471 are approved or denied.

Applicants and service providers should carefully review their FCDL for details on approved or denied requests and any adjustments made to the original requests, as well as next steps (such as the deadline for filing an appeal).
