Where does the Form 486  
fall in the E-Rate process?

# The Basics

# What is the FCC Form 486?

An indication that services for a particular Funding Request Number (FRN) have started

- Notifies USAC that services have started and that invoices for the E-Rate discount portion of those services can be processed and paid
- Reports the status of the applicant's compliance with the Children's Internet Protection Act (CIPA)

# When can I file a Form 486?

- The Form 486 cannot be filed until a Funding Commitment Decision Letter (FCDL) has been received.
- Additionally, applicants should wait until the delivery of approved services has started as that is one of the things that is certified when completing the form.
- However, **the Form 486 must be certified no later than 120 days after the service start date or 120 days after the date of the FCDL, whichever is later.**

***Words of Caution: Filing late can result in a reduction in funding. The later the filing date, the greater the reduction.***

# Where do I file a Form 486?

You must file the Form 486 by accessing the account in the EPC Portal for the Billed Entity that received the funding commitment.

This is usually the school district, unless an entity is considered to be an independent school.

# How many separate forms do I file?

Your choice!

Each FRN from your Form 471(s) is treated separately and you will need to indicate the start of services for each one.

- You may file a separate Form 486 for each FRN as you receive funding commitments

OR

- You may include several funded FRNs on a single Form 486

***Words of Caution: Be aware that the Form 486 for each FRN has a distinct deadline! Don't miss a deadline while waiting for all of your funding commitments to come in.***

# Creating the Form 486

① Navigate to  
<https://forms.universalservice.org/portal>

② Log into One Portal with your username  
(your full email address) and One Portal password

The screenshot shows the login page for the Universal Service Administrative Co. portal. At the top right is the logo and name "Universal Service Administrative Co.". Below a green horizontal line are two input fields: "Username" and "Password". A blue link "Forgot password?" is positioned below the password field. A paragraph of terms and conditions follows, starting with "You are accessing a portal to Universal Service Administrative Company (USAC) systems...". Below the text is a checkbox with the label "Click the box to accept" and the sentence "By signing in, I accept the terms and conditions of the USAC system." At the bottom left is a grey "Sign In" button. At the bottom right is a blue link "Don't have an account? Create an account".

- ③ Complete the steps as prompted to obtain and enter a one-time verification code
- ④ Once you have successfully logged into One Portal and are viewing its dashboard, access EPC by clicking on the gray block for “E-Rate Productivity Center (EPC)”

The screenshot shows the One Portal dashboard. At the top, there is a yellow notification banner with an information icon and text: "In accordance with the Supply Chain orders, new certifications have been added to the following forms: RHC - FCC Form 463 and the Telecom invoice, E-rate - FCC Form 473, and High Cost & Lifeline - FCC Form 481. Service providers are required to submit these annual certifications. For additional information, visit the [USAC Supply Chain](#) page." Below the banner, the dashboard is divided into three main sections: "Upcoming Dates" (with a calendar icon and the text "No upcoming dates found."), "Schools and Libraries" (with an upward arrow icon), and "Help?" (with a "Send us a message" link and "Call us (888) 641-8722"). The "Schools and Libraries" section contains two gray blocks. The top block is titled "E-Rate Productivity Center (EPC)" and describes the center's purpose and provides contact information. A red arrow points from the top right of the dashboard towards this block. The bottom block is titled "E-Rate System Consolidation" and provides information about the legacy system's status.
