# Where does the Form 486 fall in the E-Rate process?

# The Basics

# What is the FCC Form 486?

An indication that services for a particular Funding Request Number (FRN) have started

- Notifies USAC that services have started and that invoices for the E-Rate discount portion of those services can be processed and paid
- Reports the status of the applicant's compliance with the Children's Internet Protection Act (CIPA)

# When can I file a Form 486?

- The Form 486 cannot be filed until a Funding Commitment Decision Letter (FCDL) has been received.
- Additionally, applicants should wait until the delivery of approved services has started as that is one of the things that is certified when completing the form.
- However, the Form 486 must be certified no later than 120 days after the service start date or 120 days after the date of the FCDL, whichever is later.

***Words of Caution:*** Filing late can result in a reduction in funding. The later the filing date, the greater the reduction.

# Where do I file a Form 486?

You must file the Form 486 by accessing the account in the EPC Portal for the Billed Entity that received the funding commitment.

This is usually the school district, unless an entity is considered to be an independent school.

# How many separate forms do I file?

Your choice!

Each FRN from your Form 471(s) is treated separately and you will need to indicate the start of services for each one.

- You may file a separate Form 486 for each FRN as you receive funding commitments

OR

- You may include several funded FRNs on a single Form 486

***Words of Caution:*** Be aware that the Form 486 for each FRN has a distinct deadline!  
Don't miss a deadline while waiting for all of your funding commitments to come in.

# Creating the Form 486

① Navigate to  
<https://forms.universalservice.org/portal>

② Log into One Portal with your username  
(your full email address) and One Portal password

The screenshot shows the login portal for the Universal Service Administrative Co. At the top, there is a logo consisting of a grid of blue squares of varying sizes, followed by the text "Universal Service Administrative Co." Below this is a horizontal yellow line. The main login area has a light gray background. It contains two input fields: "Username" and "Password". Below the password field is a blue link that says "Forgot password?". A paragraph of text follows, explaining that the user is accessing a portal to USAC systems and that access is provided solely to authorized users. It also states that by logging in, the user represents that they are an authorized user and that the system monitors user access and content for compliance. Below this text is a checkbox and the text "Click the box to accept". Underneath the checkbox is the text "By signing in, I accept the terms and conditions of the USAC system." At the bottom of the login area is a gray button labeled "Sign In". Below the button is a link that says "Don't have an account? [Create an account](#)".

- ③ Complete the steps as prompted to obtain and enter a one-time verification code
- ④ Once you have successfully logged into One Portal and are viewing its dashboard, access EPC by clicking on the gray block for “E-Rate Productivity Center (EPC)”

**E-Rate Productivity Center (EPC)** - EPC is the online system for E-Rate program participants to submit applications, manage program processes, and communicate with USAC. Applicants and service providers use EPC to prepare, submit, and certify E-Rate invoicing forms for Funding Years 2016 and later, including FCC Form 472 BEAR, FCC Form 473 SPAC, and FCC 474 SPI. For more information, please visit the applicant or service provider invoicing page at <https://www.usac.org/e-rate/> or contact the E-Rate Customer Service Center at (888) 203-8100.

**Emergency Connectivity Fund (ECF)** - Emergency Connectivity Fund participants use the ECF Portal to submit applications and review notifications regarding their program activities. Using this link, schools and libraries can also access the FCC Form 472 (BEAR) and service providers can access the FCC Form 474 (SPI) to request ECF reimbursement.
