Where does the BEAR / Form 472 fall in the E-Rate process?

The Basics

What is the FCC Form 472 (BEAR)?

- An indication of monies paid in full for eligible products and services for which an FCDL has been awarded
- A request for reimbursement of the discount portion of the amount paid by the applicant

When can I file a BEAR?

A BEAR cannot be filed until:

- A Funding Commitment Decision Letter (FCDL) with a positive commitment has been received
- A Form 486 has been filed and processed (indicating services have started)
- The service provider has filed an FCC Form 473, Service Provider Annual Certification (SPAC) Form for the associated funding year and SPIN
- The service provider has billed the applicant for the entire cost of services for the period for which reimbursement is being sought (e.g. the monthly invoice for MRC costs or the one-time invoice for NRC costs)
- The services have been delivered
- The applicant has paid for those services in full
- A Form 498 has been filed and processed (providing direct deposit information for reimbursements)

What is the deadline for BEARs?

BEARs must be certified no later than 120 days after the last day services are received (typically this is October 28 following the end of the funding year)

or

120 days after the date of the FCC Form 486 Notification Letter, whichever is later

The exception to the above is if there are post-commitment changes, in which case the deadline is no later than 120 days after the latest of the following:

- Date of an approved post-commitment Revised Funding Commitment Decision Letter
- Date of an approved appeal Revised Funding Commitment Decision Letter on a previously denied or reduced funding request

Where do I file a BEAR?

There is no longer a separate BEAR system with a separate access point from the One Portal platform.

Instead, you will file BEARs by accessing the Billed Entity's profile within the EPC Portal just as you do for other program forms.

Invoicing permissions for applicants are based on user access rights specified in EPC by the Account Administrator.

How many separate forms do I file?

Your choice!

- You may choose to split up or combine your BEAR filings however you choose
- You can include multiple Forms 471s and FRNs on the same BEAR

Potential examples:

- file a separate BEAR form for each FRN for each service period (monthly, quarterly, etc) or the entire funding year
- include all the FRNs from the same Form 471 on one BEAR
- include all FRNs that are eligible for invoicing on the same BEAR form

Managing BEAR Permissions

→ DO THIS FIRST ←

The Account Administrator should review and assign BEAR permissions before users attempt to create a BEAR.

Once this step has initially been completed, it does not need to be repeated unless new users are added to the entity profile or the AA wishes to modify permissions.

For existing EPC users with BEAR credentials for the legacy system

These users may have automatically been assigned permissions to create and certify BEARs in the new EPC E-Rate Invoicing Dashboard.

Newly created users did not automatically receive both legacy and EPC BEAR permissions.

The Account Administrator should verify that these permissions are as desired before any current users attempt to create BEARs and adjust the permissions if necessary.

For those users who were not automatically assigned BEAR permissions

AND

For those users who should be assigned different permissions (partial vs full)

AND

For any new EPC users

Permission to create and/or certify a BEAR must be explicitly selected by the Account Administrator. The Account Administrator must complete this step before a BEAR can be created by users that fall in any of the above circumstances.

The Account Administrator completes the following steps:

- ① First, navigate to <https://forms.universalservice.org/portal>
- ② Log into One Portal with your username (your full email address) and One Portal password

The screenshot shows the login page for the Universal Service Administrative Co. (USAC) portal. At the top, there is a logo consisting of a grid of blue squares of varying sizes, followed by the text "Universal Service Administrative Co.". Below the logo is a horizontal yellow line. The main content area is a light gray box containing the following elements: a "Username" label above a text input field; a "Password" label above a text input field; a blue link "Forgot password?"; a paragraph of text stating: "You are accessing a portal to Universal Service Administrative Company (USAC) systems used to administer participation in the federal Universal Service programs in compliance with 47 C.F.R. Part 54. Access to the systems is provided solely to USAC-authorized users for USAC-authorized business purposes. By logging in, you represent that you are an authorized user. Use of this system indicates acceptance of the terms and conditions governing the USAC systems. USAC monitors user access and content for compliance with applicable laws and policies. Use of the system may be recorded, read, searched, copied and/or captured and is also subject to audit. Unauthorized use or misuse of this system is strictly prohibited and subject to disciplinary and/or legal action."; a checkbox with the text "Click the box to accept" next to it; and a line of text: "By signing in, I accept the terms and conditions of the USAC system." Below the gray box is a "Sign In" button. At the bottom of the page, there is a link: "Don't have an account? [Create an account](#)".

- ③ Complete the steps as prompted to obtain and enter a one-time verification code
- ④ Once you have successfully logged into One Portal and are viewing its dashboard, access EPC by clicking on the gray block for “E-Rate Productivity Center (EPC)”

The screenshot shows the One Portal dashboard. At the top is a yellow header bar. Below it, the dashboard is divided into three main sections. On the left is 'Upcoming Dates' with a calendar icon and the text 'No upcoming dates found.' in the center. In the middle is 'Schools and Libraries' with an upward arrow icon. On the right is 'Help?' with links for 'Send us a message' (Click here) and 'Call us' (888) 641-8722. Below the 'Schools and Libraries' section, there are two gray informational blocks. The top block is for the 'E-Rate Productivity Center (EPC)', describing it as the online system for E-Rate participants to submit applications and manage processes. The bottom block is for the 'Emergency Connectivity Fund (ECF)', describing it as a portal for submitting applications and reviewing notifications. A red arrow points from the text in step ④ to the top of the EPC block.

Requesting an Invoice Deadline Extension

If you know that you will not be able to file the BEAR Form by the invoice deadline, you can submit an invoice deadline extension request by that deadline to receive a one-time, 120 day extension.

When are BEARs due?

BEARs must be certified no later than 120 days after the last day services are received or 120 days after the date of the FCC Form 486 Notification Letter, whichever is later.

What if I need an extension?

USAC will automatically grant upon request a single, one-time, 120 day extension to an applicant's BEAR invoice deadline. However, the extension must be requested on or before the original BEAR filing deadline of October 28.

Each FRN for which you need an extension must be specifically requested - a request granted for one FRN on a Form 471 will not extend to other FRNs on that Form 471

Invoice Deadline Extension

① On the EPC Landing Page, click on the “IDD Extension” link

The screenshot shows the 'My Applicant Landing Page' for the Universal Service Administrative Co. The page has a blue header with navigation tabs: News, Tasks (4), Records, Reports (selected), and Actions. On the right of the header is a user profile icon and the name 'appian'. Below the header, the page title 'My Applicant Landing Page' is followed by the U.S.A.C. logo and name. A welcome message reads 'Welcome, Independent School 704!'. The 'Pending Inquiries' section contains two dropdown menus for 'Type' and 'Funding Year', both set to '-- Select a Type --' and '-- Select a Funding Year --' respectively. To the right is an 'Application/Request' input field with the placeholder text '-- Enter an Application/Request ID or Nickname --'. At the bottom right are 'APPLY FILTERS' and 'CLEAR FILTERS' buttons. A red arrow points from the instruction text to the 'IDD Extension' link in the top navigation bar.
